## **Maungarei Rd Residence, Auckland**

Re-Clads & Renovations

**Client:** Mr &  
Mrs Gasparich  
**Designers:** TH  
Design  
**Builder:** Form  
Reclad

**Project Description:** An existing dwelling built in the 1990's that was suffering from extensive leaking. The building required a full re-clad, with new aluminium joinery. This project was one of the very first government approved Financial Assistance Packages (FAP).

**Our Role:** We were the project manager and client representative from start to completion. We coordinated the architectural and consultant team and liaised with the local authorities, as well as tendered and contracted the works, and oversaw of the project through to completion, to the issuance of the CCC.
