

Servilles Spa & Hair Salon, Auckland

Retail & Hospitality

Client:

Servilles Hair

Architect:

David Howell
Architecture
(NYC), Clodagh
Design (NYC)

Builder:

Project Description: The design and construction of a state-of-the-art beauty therapy spa and hair salon, located on Auckland's waterfront, at Prince's Wharf.

Our Role: We were the client representative on this project, coordinating with the designers in New York, as well as liaising with local consultants and the Council for consents and approvals. We also travelled to Bali to oversee construction of built-in furniture, and

projectpartners.co.nz

Labour only

oversaw all local manufacturers. We also established and managed a labour-only contract with local contractors and suppliers through to completion and opening.
